Item 3. Source and Amount of Funds or Other Consideration

The securities of the Issuer purchased by ATG Fund were purchased with working capital, which may include borrowings under portfolio margin agreements with ATG Fund's custodians. Positions in the Shares may be held in margin accounts and may be pledged as collateral security for the repayment of debit balances in such accounts. No Reporting Person has any present plan or proposal which would relate to or result in any of the matters set forth in subparagraphs (a) - (j) of Item 4 of Schedule 13D except as set forth herein or such as would occur upon or in connection with completion of, or following, any of the actions discussed herein. The Reporting Persons intend to review their investment in the Issuer on a continuing basis. Depending on various factors including, without limitation, the Issuer's financial position and investment strategy, the price levels of the Shares, conditions in the securities markets and general economic and industry conditions, the Reporting Persons may in the future take such actions with respect to their investment in the Issuer as they deem appropriate including, without limitation, engaging in communications with management and the Board of the Issuer, engaging in discussions with stockholders of the Issuer or third parties, including potential acquirers and service providers, about the Issuer and the Reporting Persons' investment, making proposals to the Issuer concerning changes to the Board structure (including Board composition), capital allocation strategy, capitalization, ownership structure or operations of the Issuer, purchasing additional Shares, selling some or all of their Shares, engaging in short selling of or any hedging or similar transaction with respect to the Shares, or changing their intention with respect to any and all matters referred to in Item 4.

Item 5. Interest in Securities of the Issuer

(a) The aggregate percentage of Shares reported owned by the Reporting Persons is based upon 33,800,951 Shares outstanding as of December 5, 2025, which is the difference obtained by subtracting (i) 3,913,538 pre-funded warrants reported as potentially exercisable in the press release attached as Exhibit 99.1 to the Company's Current Report on Form 8-K filed with the Securities and Exchange Commission on December 8, 2025 (the "Press Release"), from (ii) the 37,714,489 Shares outstanding as of December 5, 2025, as disclosed in the Press Release.

Each Reporting Person disclaims beneficial ownership of the Shares that he or it does not directly own.
