The AI buildout needs reliable, scalable power. Empery Digital is delivering it.

Partnered with Hunt Properties, we pair power expertise with our capital markets platform to secure AI and HPC tenants. We are designed to create long-term value for stockholders, with \$440M+ expected cash flow from our Midwest AI data center investment over its 15-year lease and 5GW+ power capacity potential at our West Texas data center campus.

This is momentum worth protecting. Vote the WHITE proxy card by Oct. 14.
