BIOGRAPHY

Ryan Lane is Co-Chief Executive Officer and Chairman of Empery Digital. Mr. Lane assumed the role of Chairman and joined the EMPD management team in July 2025, when he spearheaded the transition of the Company from a vehicle production company called Volcon Inc. into a digital asset treasury through the strategic acquisition of bitcoin.

Mr. Lane is also the Founder and Principal of Empery Asset Management, which he established in 2008 to make negotiated direct investments in public companies. Mr. Lane has deep investment management expertise and broad experience structuring complex capital markets transactions. Over the past two decades, Mr. Lane has deployed billions of dollars across thousands of capital markets transactions. Under his leadership, Empery has generated greater than 20% net annual returns for investors in its flagship fund since its 2008 inception^{***}

Mr. Lane received a B.A. in Finance and Accounting from Franklin & Marshall College.

^{***} Refers to net annualized returns since July 2008 inception through June 2026; 2009-2025 results based on audited financial statements, 2026 results based on unaudited financial statements. Past performance is not indicative of future returns. This is not an offering. An offering may only be made by means of a final offering memorandum and only in those jurisdictions where permitted by law.
