Empery Digital Has Repurchased Incremental 167,809 Shares

Empery Digital Has Repurchased Over 26.5 Million Shares

AUSTIN, Texas – November 2, 2026 – Empery Digital Inc. (NASDAQ: EMPD) (the "Company" or "Empery Digital") today provided an update on its share repurchases.

In the week ended October 30, 2026, the Company repurchased 167,809 shares of its common stock under its $200 million share repurchase program at an average price of $2.88 per share, including fees and commissions. As of October 30, 2026, the Company has repurchased an aggregate of 26,531,308 shares of its common stock.

Following these repurchases, Empery Digital has 29,527,146 shares outstanding, after giving effect to the potential exercise of 1,653,686 pre-funded warrants, and approximately $50 million remains available under the share repurchase authorization.

As previously announced, the Company has resumed repurchasing shares under its existing share repurchase program, reflecting its continued belief that its shares are significantly undervalued and that repurchasing shares at current levels represents an attractive allocation of capital. Going forward, the Company intends to repurchase shares opportunistically while maintaining sufficient cash to fund its current commitments and capitalize on future AI infrastructure opportunities.

About Empery Digital

Empery Digital is focused on building long-term shareholder value through its disciplined capital allocation strategy. The Company employs a bitcoin treasury strategy and is strategically expanding into AI infrastructure and data center investments, partnering with operators that have decades of real-estate and energy infrastructure development experience to capture growth at the intersection of digital assets and next-generation compute. Empery Digital is committed to transparency, efficiency, and accountability, applying rigorous decision-making to drive sustainable, long-term shareholder value.

Forward-Looking Statements

This press release includes forward-looking statements. These forward-looking statements generally can be identified by the use of words such as "achieve," "advance," "believe," "can," "capitalize," "continue," "could," "create," "expand," "expect," "focus," "forward," "future," "going," "growth," "intend," "may," "position," "potential," "resume," "should," "strategy," "update," "will," and other words of similar meaning. These forward-looking statements address various matters, which include, without limitation, statements regarding our strategy, future operations, future financial position, capital allocation, return on investments including, but not limited to, statements relating to: strategy related to and value creation potential of AI infrastructure opportunities; the Company's bitcoin strategy; the Company's stock repurchase plans; the benefits of repurchases of the Company's shares; the ability to create future cash flows; and statements relating to the Company's ability to create value for shareholders and attractive allocation of capital.

Each forward-looking statement is subject to risks and uncertainties that could cause actual results to differ materially from those expressed or implied in such statements. Applicable risks and uncertainties include the risks and uncertainties regarding, among other things: our ability to keep pace with new technology and changing market needs; changes in business, market, financial, political and regulatory conditions; reduced demand for data centers or decreases in information technology spending; increased competition or available supply of data center capacity; delays or disruptions in connectivity or availability of power; deterioration in the relationship between the Company and Hunt Properties or Cardinal Data Power, Inc. ("CDP"), or with potential data center tenants; the significant valuation uncertainty associated with the Company's data center investments and the Company's ability to realize a return on such investments; the Company's limited ability to influence the operations, governance and strategic direction of its minority, non-controlling investments; the ability of CDP and Hunt Properties to negotiate and execute definitive long-term leases on commercially acceptable terms; potential delays or other impediments, including regulatory, in the development of proposed data centers; the Company's operations and business, including the highly volatile nature of the price of Bitcoin and other cryptocurrencies; the Company's stock price may be highly correlated to the price of the digital assets that it holds; increased competition in the industries in which the Company operates; significant legal, commercial, regulatory and technical uncertainty regarding digital assets generally; the treatment of crypto assets for U.S. and foreign tax purposes; the Company's ability to generate revenues from sales and generate cash from financing of inventory, sale of its products and Bitcoin derivatives; significant decrease in the market value of the Company's Bitcoin holdings; the Company's reimbursement of expenses incurred in connection with its activist defense matters pursuant to insurance coverage; the Company's ability to obtain additional financing through equity or debt offerings, obtain borrowings from financing arrangements or generate cash from the sale of Bitcoin and the competitive environment of our business. Other risks and uncertainties include those identified under the heading "Risk Factors" contained in our Annual Report on Form 10-K for the year ended December 31, 2025 (as amended by Form 10-K/A filed with the SEC on April 21, 2026), and in our Quarterly Report on Form 10-Q for the three months ended June 30, 2026, and any subsequent filings with the SEC.

As a result of these and other factors, we may not achieve the plans, intentions or expectations disclosed in our forward-looking statements, and you should not place undue reliance on our forward-looking statements. The forward-looking statements reflect our views as of the date hereof. We do not assume and specifically disclaim any obligation to update any forward-looking statements, whether as a result of new information, future events or otherwise, except as required by law. Our business is subject to substantial risks and uncertainties, including those referenced above. Investors, potential investors, and others should give careful consideration to these risks and uncertainties.
